16 February 2010

Dear Mr Hartwell

**SCOTCH COMMON AND BROOKHOUSE ROAD CAR PARKS,
SANDBACH**

Sandbach Town Council thanks Cheshire East Council for the letter, received on the 2 February 2010, clarifying the legal status of various car parks within the Sandbach area.

As a result, the Town Council wishes to open discussions with Cheshire East Council on the best way forward to deliver a holistic solution for car parking management in Sandbach. Our objective is that this should meet the needs and the well-being of the local community and also be fully compliant with your Car Parking Strategy, as approved by Cabinet on 21 April 2009.

Sandbach Town Council considers that the meeting could be held sometime after 26 February at a mutually convenient date and time. The agenda for such a meeting should cover, amongst other things:

- The Legal Issues Impacting Car Parking Management Delivery
- The opportunity and feasibility of delegation of such management to STC, as permitted under the relevant legal instruments.

I look forward to hearing from you in due course.

Yours sincerely,

Miss A L Banks
Town Clerk
